“RRB” stands for *Reason and Religious Belief; An Introduction to the Philosophy of Religion* 4th Ed. and the number following is the chapter number. Philosophers' names refer to articles from *Philosophy of Religion; Selected Readings* 3rd Ed. and the numbers in square brackets refer to the first page of each article.

Be sure to title, date and staple each outline separately. To be clear - even each article from PR should be titled, dated and stapled separately.
